Erasmus Placement

All Erasmus students who wish to be selected for a training period at the Faculty of Social and Education Policy have to fill in and send to the Erasmus Office of the University of the Peloponnese an **Application Form for placement** that should be accompanied by an **Erasmus Training Agreement**
(which can be obtained by the Erasmus office of their home University). Each Training Agreement has to be signed by the student and the academic coordinators of both Universities.

Before sending these documents, students should verify that their home University has sent to the Erasmus Office a nomination e-mail stating that they have been selected to register for a training period under the **Erasmus placement** programme. The nomination must include: Full name, Area of study, Placement period, E-mail address and Nationality.
